
Your Exclusive Home Style & Colour Experience

You will enjoy an exclusive 1.5hr experience through all tones, textures and materials that will make your home a special place for you and your family to love. Giulia is an expert in the industry who will help you discover and create your own home style and colour palette.

Meet Giulia from 'Giulia Nozzoli Design' in Subiaco at her Studio 'Design Home on Churchill' to view and touch all things interiors, colours and textures for your new home through a curated library of samples and images for all the inspiration you need.

A digital personalized Colour Moodboard will be sent to you after your meeting to guide you throughout the process of creating and styling your own home.
